#### HOW TO USE

MAGIC DASH is used directly from the bottle as a ready to go solution and requires no dilution with water.

- **Clean-As-You-Go Hygiene:** Remove gross debris then spray onto the surface allowing sufficient contact time for product to penetrate the soiling, agitating heavily soiled areas if necessary.
- Wipe down with a clean damp cloth or disposable paper.
- **Caution:** Do not allow to dry onto glass surfaces.

- Care should be taken not to use Magic Dash in conjunction with a furniture polish especially on non-porous table-tops or laminate surfaces. By using both types of product it can lead to a chemical residue build up. Either use one or the other.

### COSHH STATEMENT

COSHH is a law that requires all employers to take steps to control substances (chemicals) that may cause harm to employees, contractors and visitors to the workplace. Every work environment will be different in terms of the hazardous chemicals that are present, and how these are used, and individual assessments may be necessary to consider how chemicals can be handled and stored safely, in addition to ensuring that appropriate PPE and training is provided for employees. Product MSDS and Product Guidance Sheets are intended to help when carrying out a COSHH assessment, however if further advice is needed with regard to specific issues in your work environment we are happy to provide advice.
